Your company will be listed in both the SOMWBA Directory and in the Massachusetts Central Register, which are published at regular intervals. The SOMWBA Directory is sent to other state agencies and private organizations that seek to fulfill MBE utilization requirements.

Furthermore, you have a continuing duty to notify SOMWBA of a change in any information that is relevant to the firm's certification eligibility and to ensure that the information and documentation relied upon by SOMWBA to certify or to maintain the certification of the business enterprise is accurate, complete and not misleading. You are required to notify SOMWBA in writing of any change of such information or documentation within thirty calendar days. By way of example and not limitation, any change in ownership, control, investment, ongoing or independence may be considered material. Failure to abide by the continuing duty requirements shall constitute grounds for the business entity's decertification.

Certification is not a fixed designation and SOMWBA reserves the right to monitor your company, do random spot checks, site visits and to conduct periodic reviews of your company's books, contracts, company structure, facilities, job locations; to seek other relevant information and documentation; and to revoke certification of your firm should this become necessary.

Your company's certification will automatically expire two years from the date of certification. If your company continues to meet all applicable certification criteria, no later than thirty (30) business days before your firm's certification renewal date of October 13, 2011, and every two years thereafter, please send SOMWBA the following documents to renew your certification:
